1. Preparation your order

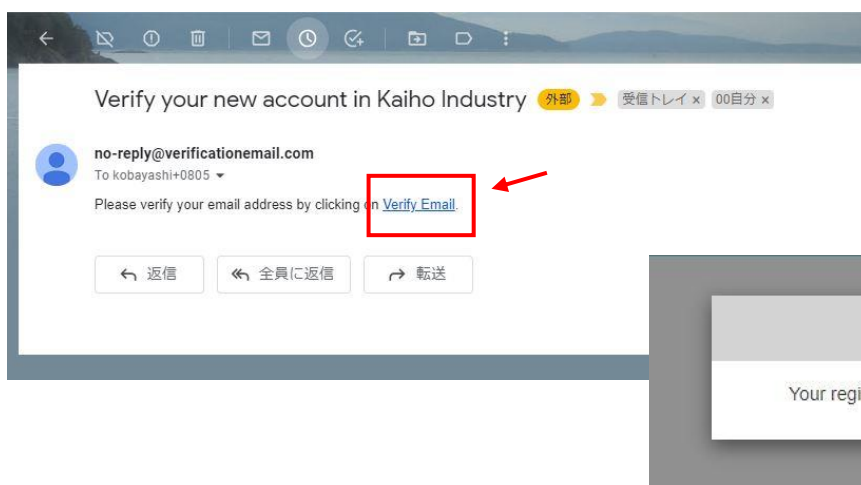

1-1. Sign up for free

To get started, please create your account first. Please be aware that email address cannot be changed once it is registered.

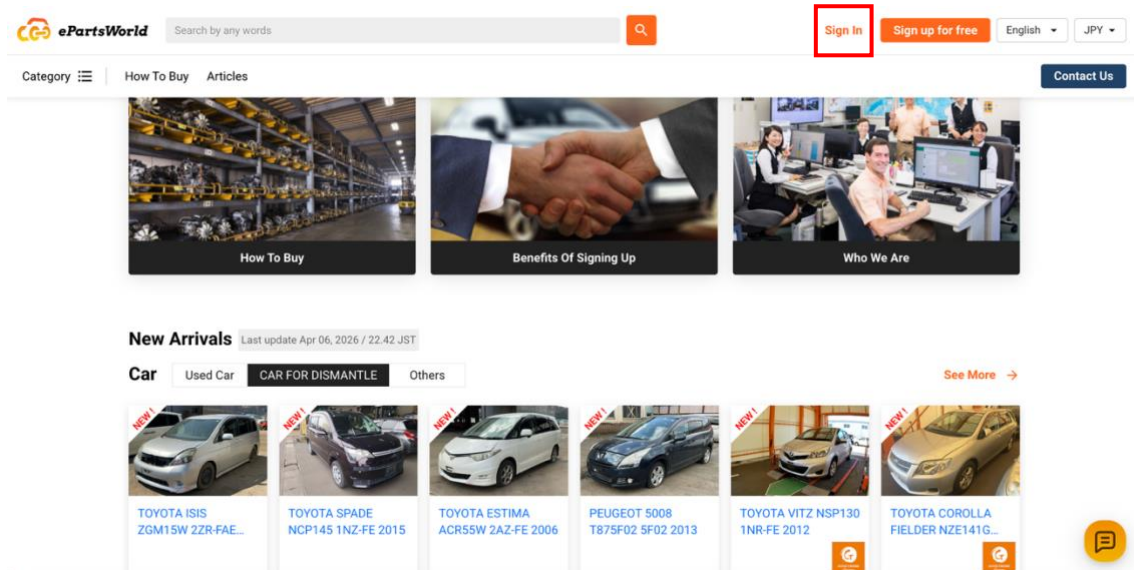

The screenshot shows the ePartsWorld website's sign-up process. At the top, there is a navigation bar with the ePartsWorld logo, a search bar, and links for 'Sign In' and 'Sign up for free' (the latter is highlighted with a red box). Below the navigation bar, there are links for 'Category', 'How To Buy', and 'Articles', along with a 'Contact Us' button. The main content area features a 'Sign Up' form with fields for 'Email', 'Password' (with a note 'At least 8 characters including a number' and a 'Show password' checkbox), 'Country' (a dropdown menu), and 'Phone'. A red box highlights the entire sign-up form. Below the form is an orange 'Sign Up' button. Underneath the button, there is a line of text: 'By creating an account you agree to Kaiho's Terms & Conditions and Privacy Policy.' At the bottom, it says 'Already have an account? Sign In'.

Once your account is created, you will receive a verification email titled “Verify your new account in Kaiho Industry.” Please make sure to click the link within 72 hours.

-CKD Parts Instruction

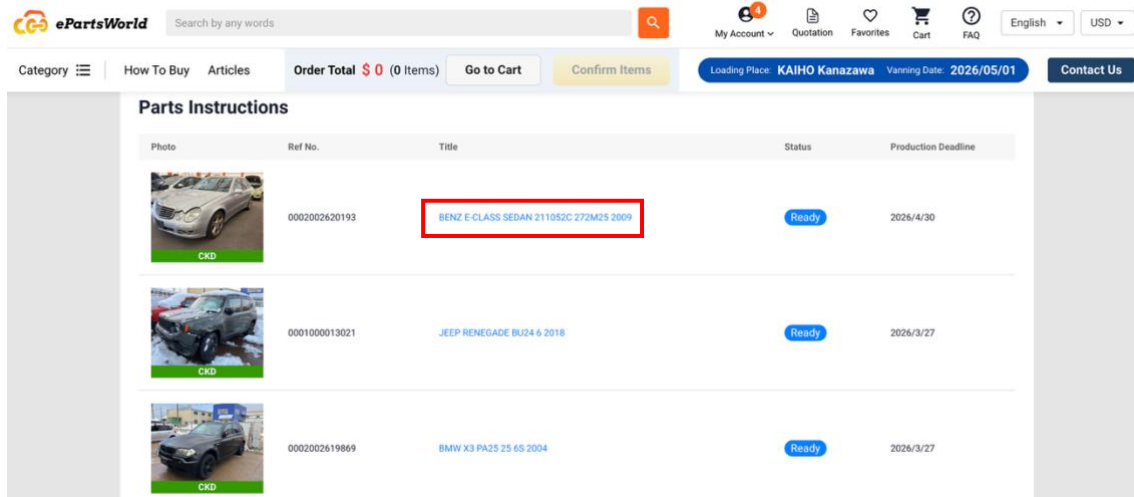

You can check from “Parts instruction” and can make a parts instruction there.

The cars on ‘Parts Instructions’ are waiting for dismantling instructions.

Once the order is complete, the status will change from blue "Ready" to green "Done".

Please click the product name highlighted with light blue.

You can select how you want to dismantle.

If you would like a car with a vehicle certificate, please select "Used Car."

Plans

Basic Plan

\$ 219

Includes the nose cut, muffler, fuel tank, main body parts and rear suspensions. Some parts such special cuts (roof or rear fender) are also available with an extra dismantling fee.

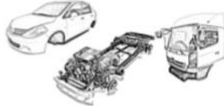

Half Cut Plan

\$ 125

Includes the half cut, muffler, fuel tank, main body parts and suspensions as well as some interior parts. Some parts such the evaporator, the dashboard or special cuts (roof or rear fender) are also available with an extra dismantling fee.

Personal Plan

Tell us how you want to dismantle your vehicle. We can prepare for you the body shell, a cabin cut or an engine with the chassis frame set among others.

Used Car

You can also choose those vehicles that have all the corresponding documents to be exported as used car. In that case we will prepare for you the Certificate of Export and will load the vehicle carefully into the container to do not suffer any damages.
